Phoenix Housing Corporation ("Phoenix") has moved to withdraw its complaint in which it sought a deviation from Commission Regulation 807 KAR 5:046. Phoenix states the requested deviation is no longer required as it has modified its proposed apartment complex to accommodate single unit metering.

Having reviewed Phoenix's motion and being otherwise sufficiently advised, the Commission finds that the issues presented by Phoenix's complaint are now moot and that Phoenix's motion should be granted. The Commission further finds that Phoenix's previous motion to submit the case on the record is moot and no action is required.

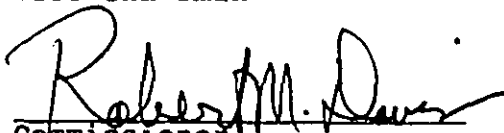

IT IS HEREBY ORDERED that Phoenix's motion to withdraw is granted and this case is dismissed with prejudice.

Done at Frankfort, Kentucky, this 3rd day of June, 1992.
